## Greetings from Pastor Kristine Isder

In the parable of the sower (Matthew 13:1-9, 18-23) Jesus tells of a farmer who goes out to sow. He tosses seed everywhere without regard to where it might land.

Some seeds fell on the path and the birds ate them. Other seeds fell on rocky ground and sprang up quickly, but with no depth of soil and no root, the plants withered away when the sun rose. Other seeds fell among thorns, which grew and choked the plants out. Other seeds fell on good soil and brought forth grain, some a hundredfold, some sixty and some thirty.

Jesus says that the seed is the “word of the Kingdom”, the good news of God’s Kingdom. God is the gracious sower, spreading the good news everywhere.

Like a seed, the message might grow and blossom in the lives of people. God sends the good news without a care about the quality, readiness or receptivity of the person. Everyone has access to the seed that is the gospel good news.

Some of the good news takes root and grows right away. Some of the good news takes longer to produce results.

I recently read a newspaper article about Miron Carney. Growing up in Murray county, Miron’s grandparents were deeply committed Methodists and his grandfather was a lay pastor. It was through them that he came to faith.

When Miron was 16, he was quite interested in becoming a minister. But it didn’t happen. He was told by his peers, teachers and family that he could probably do

better in other fields. He thought, “the water wasn’t running that direction, so it must be true”.

After high school he went to college in search of one of those better fields. With his interest and skill in music and guitar, he began playing in a heavy metal rock band. Then, with a busy schedule of band gigs, he decided that college was not for him at this time.

He moved to Los Angeles and got married. After their second child was born, they moved back to Minnesota to the farm by Chandler. Then he decided it was time to get serious about his education and returned to college and earned two business degrees. He held various jobs from working at a printing press to starting a bookstore and a seasonal garden center.

## Pastor, Staff & Officers

### Greetings from Pastor Kristine

*continued from page 1*

But he still felt a call to go into ministry. Decades after discerning the call, after his children were grown, he decided he could no longer ignore that call on his life.

He began doing lay ministry at churches in the area. About 2000 he started taking classes towards the ministry through the United Methodist Church. He became a Qualified Lay Pastor and started doing pulpit supply at area churches, which ended up as a full-time occupation. Eventually he became a Licensed Pastor and was assigned to Tracy Methodist Church in August of 2021. In January of 2023, he also became the pastor of Walnut Grove United

Methodist Church.

The seeds of ministry had been planted early in Miron's life, but outside forces steered him away from that choice. The call persisted and eventually he answered it and now pastors two churches.

His grandparents planted the seed of faith in his life.

*Who has planted seeds of faith in your life?*

*Who have you passed the seeds of faith to?*

We are called to be sowers of the faith. It doesn't matter if we see results or not. We never know how long the seeds may lay dormant before they start to grow, as in Miron's life.

We are called to keep sowing.

Sometimes we don't even realize the impact we have made on others. We never know when a seed may take root and grow. So just keep sowing seeds everywhere!

### Contribution Statements

Statements will soon be mailed out for contributions given through June. Please check your statement to your records and let the church office know if there is a discrepancy. Statements will **only** be mailed to those with contributions of record.

### National Youth Gathering

The next ELCA Youth Gathering will take place July 16-20, 2024, in New Orleans, LA. There will be daily events to participate in: from learning workshops to a day of service in the city of New Orleans to worship every evening.

Youth will learn what "Created to Be" means.

The Gathering is for youth grades 8-12 (in the fall of 2023 school year). Registration will open on September 15, 2023, and continue until April 15, 2024.

The earlier you register, the cheaper it will be. Cost starts at \$375 and goes up from there. There is a \$150 deposit for each participant due at time of registration, and the rest at a later date.

More information can be found on the ELCA Gathering Website, [www.elca.org/gathering](http://www.elca.org/gathering).

Pastor Jon Wendt at St. Matthew Lutheran Church in Wabasso is the SWMN Synod Champion for the 2024 Youth Gathering. He has attended every tri-annual gathering since the early 90's and has watched people grow in their faith as they come together with thousands of other Christians during that week. He will walk with each of the congregations as they begin to register, fundraise and prepare for the gathering.

Interested in attending? Talk to Pastor Kristine.

## Southwest Minnesota Synod

### Synod Bread Basket Award

At Synod Assembly in June, the Synod Bread Basket Award was presented to one of our neighbor churches, Borgund Lutheran Church, for contributions to ELCA World Hunger.

Borgund's dedication to giving to ELCA World Hunger was noted in the Synod News email March 24, 2023:

#### “Until All Are Fed”

*by Pr. Troy Pflibsen,  
SW MN DEM, on behalf of your  
Synod Hunger Team*

It all started with one member making an unexpected choice. Instead of only giving his year-end gift to his congregation, Borgund Lutheran Church, rural Madison, he gave a portion of what God had given to him to ELCA World Hunger.

This giving caught on with others at Borgund Lutheran Church and years later this captured the whole congregation and has become a part of the very identity of the community. Now at every opportunity, and there are many, they feed the hungry locally, nationally, and internationally.

The Synod Hunger Team became aware of the congregation's generosity because Borgund perennially receives the synod's Breadbasket Award. This annual award recognizes the congregation in our synod that gives the most, per capita, to ELCA World Hunger. They have received the award in 2009, 2012, 2013, 2014, 2015, 2017, 2018, 2019, 2020, 2021 and 2022!

Borgund is small, which means that their total may not be as large as some other congregations. But

for Borgund, it represents a large portion of their ministry!

The leaders at Borgund agreed to share this story in the hope that it might inspire other congregations to prioritize the needs of the hungry. To this end, they have issued a challenge! They would like to *share* the Breadbasket Award with another congregation (for maybe just one year). This means that another congregation of our synod has to increase their giving to ELCA World Hunger, and it would mean that the following year Borgund would be challenged to step up their game as well!

I would also like to note, as one who works with many congregations, this is a small faith community that is having a big impact. They are not trying to do all things and all ministries. They have focused their mission on issues of hunger, which is ministry beyond themselves and in service to others. And with this clarity of a mission beyond themselves, it gives them a sense of purpose and it means that their work has a greater impact for those in need. They are a small congregation that doesn't wonder what

they are about. They know. Their generosity doesn't make them wonder if they will have enough resources to pay the bills. They have enough, and enough to give generously to those who are hungry.

And it all started with one member. He made an unexpected choice. Years ago, he gave a portion of what God had given to him to ELCA World Hunger. His gift has changed his congregation, and, in that change, they have fed many people!
